

Chestermere Curbside Collection Info
Rev. July2023

The City of Chestermere is committed to recycling as many materials as possible to keep them out of landfills and to protect the environment.

About your Curbside Collection

Carts must be properly placed at the curbside prior to 7am on collection day to ensure they are picked up.

Recycle Collection (Blue Bin):

Weekly collection: Residents should leave materials loose in the bin. If you want to recycle plastic grocery bags, please bundle them but leave other recyclable materials loose.

Excess materials can be dropped off at the recycle depot (scroll to the bottom of this page for more info).

Organics Collection (Green Bin):

Weekly collection: begins the week of May 4 until October 23 (when bi-weekly collections will resume). Residents may use compostable bags (not just biodegradable) or leave materials loose in the bins.

Garbage Collection (Black Bin):

Bi-weekly garbage cart pickup. Residents may use bags or put garbage in the cart loose. Compostable and recyclable material will not be accepted.
