### Welcome Home

Welcome to Dawson's Landing! We sincerely hope that you enjoy your new home, and all that the community has to offer.

### Who We Are

Upon possession of your home, you automatically become a member of the Dawson's Landing Owners Association (DLOA). An *Owners Association (OA)* is an organization created by the Developer to own, operate and maintain certain features within the community that are not maintained by the Municipality.

The DLOA fees pay for communications, community beautification, and events. The DLOA is also an important means of building community pride and unity amongst residents.

For more information on who we are and what we do for the community, as well as what your DLOA fees are and more, please view our info sheet: [Owners Association - Dawson's Landing](#).

### Staying Informed

There are several ways to keep up to date with all our community events, activities, and other important information. These include:

- Email updates are sent out periodically
- The Dawson's Landing Owners Association Facebook page, request to join here: [Dawson's Landing Facebook Group](#)
- Community letterboard
